Phillipians 2:1-13

DISCUSS

John interviewed Roper Sillada and Efran Almirol. If you were there share with the group one thing that impacted you.

What does it mean for you to trust God, in what ways do you withhold your trust?

Why does trusting God matter?

Discuss any similarities you see in Roper and Efran's stories with the passage from Phillipians.

If you consider this passage as applied to your life, what hope does it bring you? How could this passage change elements of your life and how you live your faith?

Efran shared of God's provision for his family, yet this is a man who has sold his car and motorbike, who has faced accusations and opposition. How has God provide for Efran? Are there ways other than financial that God has been providing for Efran?

How could you live in a way that demonstrates trust in God and increases that trust?

Read John 4:43-54

Roper shared the story of a resurrection. What does this story show you?

Consider the words of Jesus in this passage, discuss what he means in verse 48.

What was the outcome of Roper's story? Do you believe God can do this?

Read verse 53, how is this similar?

PRAY

Pray for the three 'P's for Roper and Efran as Rod shared. Pray for these things to be evident through each others lives in your group as well:

Provision

Protection

People coming into the kingdom of God.
