2 Corinthians 10

DISCUSS

What is one thing that impacted you out of this passage?

2 Corinthians 8,9 was all about generosity; giving generously not sparingly, being a giver not a taker etc. How does that link with Ch 10?

Why is Paul so passionate about reminding them of his authority. What was happening? Why do you think he was very firm and even sarcastic at times?

Humility of Christ is his starting point in vs 1. Humility is crucial..

Humility is power, strength and authority under the control of the Holy Spirit. How did Christ reveal His humility? How did Paul reveal his humility?

In his sermon David mentioned growing in humility is like the taming of a wild horse. What are the benefits of a trained horse? How is God training you in humility? Why is it so hard? Share actual examples in your life. What are the benefits of humility, for you? For others? For the kingdom?

Read verses 3-5. We are in a battle. What are our weapons? (see Ephesians 6) How do we use them? What does this mean for you?

In verses 15,16 Paul shares his hope. What is it? How does that fit for you?

What does 'boasting about the Lord' (v17) specifically look like to you?

Sit quietly reflecting on the passage. Write down one thing that God says to you now.
