

Building God's House

READ

Mark spoke of seven 'power tools' of building God's house. Take turns to read the passage for each 'tool':

1. *Love: 1 Peter 4:8-9*
2. *Serve: 1 Peter 4:10*
3. *Pray: 1 Timothy 2:1-4*
4. *Worship: Hebrews 10:24-25*
5. *Protect the Unity: Ephesians 4:3*
6. *Give: Proverbs 3:9*
7. *Reach Out: Luke 15:7*

DISCUSS

Share with the group about which tools you use more easily or naturally.

Discuss which tool you find most challenging to live out in your day to day life.

Are there any about which you feel convicted? Share with the group.

Are there any power tools that you can think of that didn't make the list?

Focus on the tools you use less. Brainstorm individually and with the group on a practical level, how you can implement these more in your life.

PRAY

Pray for the church, for the building of God's house and for each member of the group and the parts we're called to play.
