DISCUSS

Share stories of times you gave or received more love than ever expected.

Westerners struggle to comprehend the importance of the lost coin to the wife who lost it. Share a time when you realised how deeply God loves you, and the impact it had on you.

Sheep are often lost through their own waywardness, which means love and forgiveness combine in the rescue. Discuss the struggle we have to love and forgive, the importance of both, and the power of both.

Janelle was willing to make herself vulnerable in talking about her healing, and the unusual method God used. Read again the story in Mark 7:31-37, and give as many reasons as you can for Jesus to use that method, and to take the man aside to do it.

Discuss faith, expectation, and healing today in the context of these verses:
Matt 9:20-22 and 15:28; Mark 5:30-34 and 10:51-52; Acts 3:16 and 14:8-10.

PRAY

Pray for each other, to know and share much more of Jesus' love, Jesus' forgiveness and Jesus' healing.
