

Live a Life of So Much More

READ

Philippians 2:3-11

DISCUSS

Discuss what this sentence means: It is only in the gospel of Jesus Christ that you get the verdict before the performance. How will you live differently when performance isn't the goal but you have the freedom to take the focus off of yourself?

How is this statement true for you: When we live in the humility that calls us to serve others and deny our comfort, our self-protection and our self-gratification, sometimes it will feel like suffering.

In what ways would you like to upgrade your vision of humility and living out your faith to make it worth suffering for?

As we live in humility, our greatness is not of us, but through us. What is one action step you will take to make sure that your focus moves from yourself to God's power & plan?

PRAY

Pray for God to continue to reveal the areas where your focus on yourself is limiting God's greatness and abundance in your life.

Pray for each other as you step into the changes you're planning to make.
