DISCUSS

What impacts you afresh out of these verses?

Share a personal story of how God has come through for you, or ministered in your life, in a "so much more" way.

Linda Taylor shared her story of how God came through in the midst of tough situations for her.

What impacted you out of her story?

Do you see God as a "much more" or a "much less" God? Discuss why.

What is the evidence of that in how you live?

What changes are important for you in that?

David gave a picture of trust (trekking poles, handrails which help take the weight etc.).

Share about situations where you have really trusted God in the past?

What happened?

Where do you need to trust God right now?

PRAY

Give thanks to God and pray for each other out of what has been shared in this time.
