READ

Matthew 28

DISCUSS

What stands out to you in this chapter?

What is the significance of the women meeting the risen Jesus?

The women are the first proclaimers of the good news, why may this matter?

Discuss how Jesus influence in history may have influenced the role of women in our society and churches?

How do the women respond to Jesus when they meet him?

Consider your own response to Jesus at the point you accepted him, were you worshipful, joyful, surprised, any other feelings?

Do you ever draw on that moment or memory to refresh your faith and commitment?

Rod listed four streams of focus for 2019. Consider and discuss which of these challenge you the most, or resonate the most with your current circumstances:

1. Helping people FIND Jesus
2. Helping people FOLLOW Jesus
3. Helping people LEAD like Jesus
4. BREAKING NEW GROUND

Rod challenged us to take our Kingdom Life seriously, to take responsibility for our own spiritual development.

What does this mean in your life? What can you do to take responsibility and be more available to God?

Rod also challenged us to get involved in what God is doing through the church. What could this mean for you?

Finally Rod asked us to write down and bring before Jesus the things we would like Him to do for us in 2019.

Share anything you feel able to with the group.

PRAY

Pray for the church and the four streams, pray for each other in the areas that resonate most. Pray for each other to grow spiritually and to take responsibility for your spiritual growth. Pray into some of the things that person asked Jesus to do for them.
