The Antioch church was very generous. They gave to the Jerusalem church – even though it was culturally very different and made of people they had never met. The Antioch church also gave help to the church in Jerusalem, knowing that the famine would impact on their own area as well!

When have you been blessed by the unexpected generosity of others?

Many people have shared stories of how God has provided the extra resources to give to the C2C offering. Has anyone in the group ever experienced this before?

Take the time to prayerfully ask God what He wants you to commit to the C2C offering in 2019. Take a step of faith and write this amount down somewhere significant.
