## **READ**

*Read Matthew 5:14-16*

*Read Philippians 2:14-15*

*Read Romans 10:14-15*

## **DISCUSS**

When we help people find the forgiveness and leadership of Jesus, what are the benefits to us, to others and to God? Give a response for each if you can. Share and discuss.

When you think of the word "Evangelism" what springs to mind?

List Positives, Negatives and Fears.

Rod made several key statements about sharing our faith. Discuss why each of these matter:

Sharing out faith:

- Is fuelled by love
- Flows out of authenticity
- Is built on relationships
- Is expressed in both actions and words
- Is a process
- Is always a partnership

## **PRAY**

Rod asked that we write down the name of at least one person that we would pray for. Pray for them to be open to the gospel, that they would meet Jesus and accept His lordship and that we would be available to God for bringing people to know Jesus.

Take time to pray for the person or people you wrote down, and pray for each other for wisdom, discernment, Holy Spirit inspiration and opportunity to share your faith.
